

ACH Overview

On the first or the fifteenth of each month an amount that you designate would be automatically withdrawn from your checking or savings account and sent to St. Mary's. You would continue to receive credit and you will receive church support statements just like now.

This method would benefit both you and your parish. It would be a much more safe and convenient way for you to contribute your financial stewardship. If away from the parish, you can rest easy that your monthly support is taken care, and there would be no need to remember your envelope. This method also will help the parish because church support would be received in a more consistent manner to help with our cash flow to pay our monthly operating costs.

If you are interested please fill out the ACH enrolment form and either deliver it to the parish office or drop it in the weekend collection. If you have any Questions please feel free to contact the parish office to answer any questions you may have.
